YOUR LOVE MATCH

ARIES: A passionate connection, both fire signs, these two can be very competitive. Outgoing, and social, it's important to align their interests and values.

TAURUS: Can be frustrating. Their energies are different and move at a different pace. But there is romance and passion, which can keep them coming back to each other.

GEMINI: There are challenges as Aries is a doer, and Gemini is a thinker. They need mutual love and purpose can last the distance.

CANCER: Ruled by the Moon, Cancer can often be too sensitive for Aries, taking their comments and actions too seriously. There needs to be give and take on both sides.

LEO: As fire signs, these two are in sync, and have a good understanding and knowingness, almost like a code they and only they, understand. It's a Star-Connection!

VIRGO: This can be a difficult union. The Arian brashness does not sit well with Virgo's sympathetic nature. They both need to pass the olive branch.

LIBRA: There is disharmony here. Aries shoot from the hip and Libra looks at all sides. There is a need to recognize each other's gifts.

SCORPIO: Passion, and straight forwardness, there is a mutual love and respect. But there is no room for secrets.

SAGITTARIUS: These two fire signs are like love-magnets. As long as they keep talking, they're a match made in heaven!

CAPRICORN: Capricorn loves the excitement and change Aries brings to the relationship but they are opposite; they steadily climb the mountain to find success. They have a lot to teach each other.

AQUARIUS: This is a perfect-partner love match. Never a dull moment!

Pisces: Aries can be too rash for sensitive

PISCES. Although there is caring, they can tip toe around each other, which can mean they are destined for heartache.

Taurus

ANGELKASTROLOGY.COM YOUR LOVE MATCH

ARIES: Can be frustrating. Their energies are different and move at a different pace. But there is romance and passion, which can keep them coming back to each other.

TAURUS: Two love bugs! Comfortable and loving; at times they don't even need anyone else. If it works, it is match made to last a lifetime. **GEMINI:** Gemini can be loud and flirty and Taurus subdued and solid. Rarely do these two attract each other, but of course, nothing is out of the realms of possibility. **CANCER:** Little by little, these two reveal more of themselves to each other, and can build a deep loving connection. Beauty and the good life – it's an affair that can go all the way. **LEO:** There is attraction between these two, but the trouble starts when the time comes to decide, which one of them is going to take the lead? **VIRGO:** These earth signs have a great deal in common and understand each other. They share traits, values and love-lists – perfect! **LIBRA:** Life is to be nurtured, and no one knows this better than these two Venus ruled signs. After all, life is about harmony and balance. They get it! **SCORPIO:** Opposite signs; some work, some don't. This can fit into the category of those love-hate relationships. It can be electric, but turbulent. **SAGITTARIUS:** Never say never, but these two are on different paths. To click, they need understanding and sensitivity. **CAPRICORN:** Love, admiration, respect and understanding. Together forever! **AQUARIUS:** Can teach each a great deal, but can lack love luster. Aquarius loves being outrageous and Taurus is solid and stable. **PISCES:** Romantics at heart, these two can share a deep and lasting love. It's unconditional love that encourages each other to be their best.

Gemini

ANGELKASTROLOGY.COM YOUR LOVE MATCH

ARIES: There are challenges as Aries is an action focused doer, and Gemini is a thinker. They can both get distracted and need mutual love and purpose to last the distance.

TAURUS: Gemini can be loud and flirty and Taurus subdued and solid. Rarely do these two attract each other, but of course, nothing is out of the realms of possibility. **GEMINI:** The twins can lively happily ever after. There is always something to keep them interested, and hardly a cross word. A lot of fun! **CANCER:** Generally, values are different for these two, which can exclude a passionate lifetime connection. But, if a strong friendship is formed, they can overcome just about anything. **LEO:** As a general rule, Gemini prefers to be behind the scenes and Leo out-front, which can set up an incompatibility, but it can also complement. If they support each other's dreams, it can work. **VIRGO:** There is a connection with intellect and both are seekers of knowledge. However, Gemini loves freedom and Virgo is into commitment. **LIBRA:** There is good understanding between these two air signs. With lots of charm, they work hard to keep the union harmonious. **SCORPIO:** This can be a difficult union. Gemini is naturally mysterious, and Scorpio hates secrets. If trust is broken, it will be difficult to mend fences. **SAGITTARIUS:** Intellectual pursuits, freedom of expression and personal space attracts these signs. It's an enlightened match. **CAPRICORN:** Gemini chills and Capricorn gets busy, a basic difference in energy. However, there is interest and intrigue. **AQUARIUS:** These two air signs can hum together walking along life's path, no matter where it may take them. A magical connection! **PISCES:** This is an extremely compatible intellectual connection. However, there is a need for compromise for love to last.

Cancer

ANGELKASTROLOGY.COM YOUR LOVE MATCH

ARIES: : Ruled by the Moon, Cancer can often be too sensitive for Aries, taking their comments and actions too seriously. There needs to be give and take on both sides.

TAURUS: Little by little, these two reveal more of themselves to each other, and can build a deep loving connection. Beauty and the good life – you can go all the way. **GEMINI:** Generally, values are different for these two, which can exclude a passionate lifetime connection. But, if a strong friendship is formed, they can overcome just about anything. **CANCER:** These two caring Cancers can snuggle up. They love entertaining, setting up home, shopping, and anything luxury. An unshakable relationship, their values align, emotional & material security. **LEO:** This match can work, but not without compromise. Leo is clearly the boss, but Cancer will often have the last say. A sincere love can oversee any challenge. **VIRGO:** When there is love and attraction, this is an extremely solid relationship. Both have strong values and do not take their commitments and responsibilities lightly. **LIBRA:** These two can either boost or squash each other. They both have a love for culture and beauty and when their worlds align, it works. **SCORPIO:** Two water signs talk the same language. Love, passion, and lifestyle. A deep bond of sharing, caring & mutual support. Devoted! **SAGITTARIUS:** There are differences. When the crab is hurt they pull down the shell, sometimes never to come out again. Compromises are needed, and a strong friendship is a good foundation. **CAPRICORN:** Opposite signs, but both have understanding and respect. Without interference from the other, this is an optimistic match. **AQUARIUS:** Cancer feels with their heart and Aquarius thinks with their head. Nothing is impossible, but there are challenges between these two signs. **PISCES:** Both water signs; there is a natural and beautiful spiritual connection. It's soul-to-soul love that can last a lifetime.

Leo

ANGELKASTROLOGY.COM YOUR LOVE MATCH

ARIES: As fire signs, these two are in sync, and have a good understanding and knowingness, almost like a code they and only they, understand. It's a Star-Connection!

TAURUS: There is attraction between these two, but the trouble starts when the time comes to decide, which one of them is going to take the lead? **GEMINI:** As a general rule, Gemini prefers to be behind the scenes and Leo out-front, which can set up an incompatibility, but it can also complement. If they support each other's dreams, it can work. **CANCER:** This match can work, but not without compromise. Leo is clearly the boss, but Cancer will often have the last say. A sincere love can oversee any challenge. **LEO:** These two fire signs can be more interested in themselves than each other. But, if a strong friendship is built, they will always come back to each other. **VIRGO:** This can be a difficult match. Leo wants to take control and Virgo takes orders from no one. However, they do have a great appreciation for each other's intelligence and creativity. **LIBRA:** This dynamic duo shine together, particularly on the social scene. They look after each other and can go the full distance with a love forever. **SCORPIO:** Strong passionate signs; a connection between this fire and water duo can be intensely powerful. But as such, watch out for power struggles. **SAGITTARIUS:** Both fire signs understand each other. A magnificent partnership. Passionate, but can be competitive. **CAPRICORN:** If their goals are aligned, it can work, otherwise there is difficulty if they both compete for the limelight. Both want to take the lead. **AQUARIUS:** When it's good, it's amazing, when it's not, both can be stubborn. There is need for a willingness to give and forget. **PISCES:** A commitment to love can make this an amazing love story. There is a mindfulness needed for gentle romance and mutual respect.

Virgo

ANGELKASTROLOGY.COM YOUR LOVE MATCH

ARIES: This can be a difficult union. The Arian brashness does not sit well with Virgo's sympathetic nature. They both need to pass the olive branch. Virgo looks for change, and Aries can lose interest.

TAURUS: These earth signs have a great deal in common and understand each other. They share traits, values and love-lists - perfect! **GEMINI:** There is a connection with intellect and both are seekers of knowledge. However, Gemini loves freedom and Virgo is into commitment. **CANCER:** When there is love and attraction, this is an extremely solid relationship. Both have strong values and do not take their commitments and responsibilities lightly. **LEO:** This can be a difficult match. Leo wants to take control and Virgo takes orders from no one. However, they do have a great appreciation for each other's intelligence and creativity. **VIRGO:** These two are connected. They understand each other and appreciate just about everything about each other. But both harmony and drama can be present. **LIBRA:** This union can look good together, but in real life, Virgo's quest to make Libra a better person can wear thin on Libra's sensitivity. Virgo needs to understand Libra more, and Libra not to take everything so personally. **SCORPIO:** There can be a deep connection with these two, but not everyone will see it. What goes on behind closed doors, can build a strong union for life. **SAGITTARIUS:** Magical on many levels, but opposites on other levels. Sagittarius is visionary, while Virgo is detailed oriented, so they encourage or irritate the other. **CAPRICORN:** This earth sign match is heavenly. Rock solid, and they are there for each other, always and forever. **AQUARIUS:** There is definitely a fascination here, but Virgo is orderly and Aquarius can live in chaos. It is certainly unpredictable. **PISCES:** Opposites can attract. If a magnetic connection is strong enough, both will hold on tight, otherwise they can let go.

Libra

ANGELKASTROLOGY.COM YOUR LOVE MATCH

ARIES: There can be disharmony here. Aries shoot from the hip, and acts fast, and Libra looks at all sides. They need to recognize and learn to love each other's gifts.

TAURUS: Life is to be nurtured, and no one knows this better than these two Venus ruled signs. Harmony and balance - they get it! **GEMINI:** There is understanding between these two air signs. Lots of charm, they work hard to keep the union harmonious. **CANCER:** These two can either boost or squash each other. They both have a love for culture and beauty and when their worlds align, it works. **LEO:** This dynamic duo shine together, particularly on the social scene. They look after each other and can go the full distance with a love forever. **VIRGO:** This union can look good together, but in real life, Virgo's quest to make Libra a better person can wear thin on Libra's sensitivity. Virgo needs to understand Libra more, and Libra not to take everything so personally. **LIBRA:** A match made in heaven! These two air signs sit on cloud nine. They fall in love with love, and in love with each other. No need for anything or anyone else. It's bliss! **SCORPIO:** There certainly is a curiosity here, but getting them to gel is another thing. Unless they can see their differences as complementary, they make better friends than lovers. **SAGITTARIUS:** There is a definite attraction with these two signs. But Sagittarius is far more independent in a relationship than Libra would ever hope to be. They communicate well. **CAPRICORN:** When goals are aligned and both working for the same things, this union comes together. Needs give and take. **AQUARIUS:** These two air signs speak the same language. They are natural lovers and teammates. **PISCES:** Good friends, and they fall in love with love. Arm in arm they share life, love and living.

Scorpio

ANGELKASTROLOGY.COM YOUR LOVE MATCH

ARIES: These two sign both have passion, and straight forwardness, there is a mutual love and respect. But there is no room for secrets, so there needs to be transparency.

TAURUS: Opposite signs; some work, some don't. This can fit into the category of those love-hate relationships. It can be electric, but turbulent.

GEMINI: This can be a difficult union. Gemini is naturally mysterious, and Scorpio hates secrets. If trust is broken, it will be difficult to mend fences.

CANCER: These two water signs talk the same language. Love, passion, and lifestyle. A deep bond of sharing, caring and mutual support. Devoted!
